TITAN CONNECT | POWER On Demand™

Auto Crane
A Ramsey Industries Brand

Saves thousands of dollars each year in fuel and maintenance costs

Hidden Fuel Saver

What's Unique

- **Faster, Consistent Installation:** Ensures quick and uniform setup with plug and play connections
- **Universal Troubleshooting:** Simplifies diagnostics regardless of truck builder
- **Comprehensive Kit:** Includes 4 harnesses, keypad, PDM, E-Stop, brackets, and hardware

TITAN CONNECT

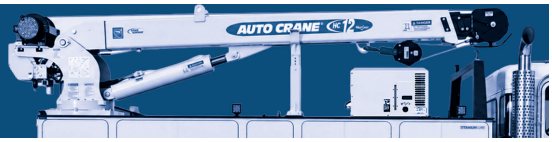

- **Nylon Braided Loom:** Enhanced abrasion protection
- **Solid-State Pre-Wired Circuits:** Includes connectors for standard equipment like cranes, work lights, strobe lights, compressors, and PTO

Power OnDemand™(POD)- Software Upgrade for Titan Connect

- Programmable system manages truck engine idling and PTO start/stop
- Automatically starts engine and PTO based on demand
- Shuts down PTO and engine automatically if no demand at pre-programmed time settings

Only POD Autonomously Insures Productivity, Fuel and Maintenance Cost Savings

VS Competitors' capabilities only turn-off the engine

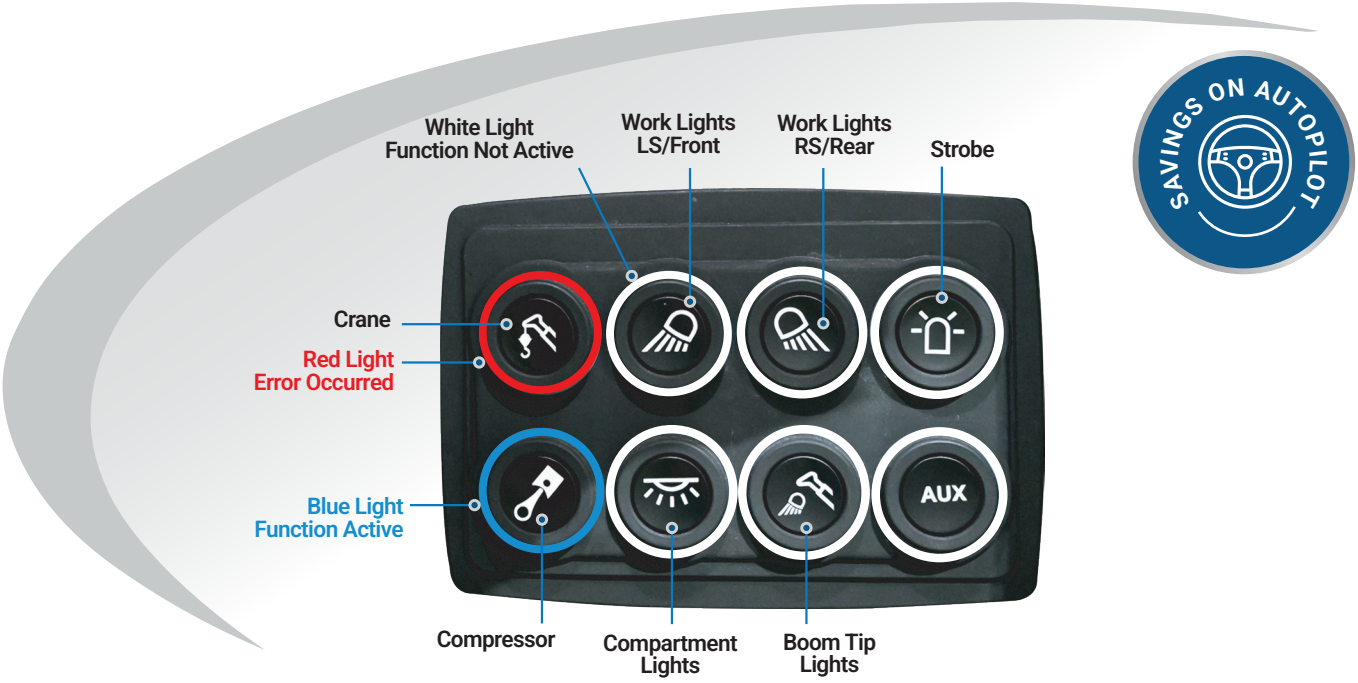

Engineered in USA | 4707 N. Mingo Road, Tulsa, OK 74117 | Phone: 800.777.2760
